2016 NAS Oceana Air Show
Media Registration Form

The 2016 NAS Oceana Air Show will take place Sept. 9-11.

Media may register by fax, email or letter. To be granted access to the practice show on Friday, September 9th, media registration forms must be received **NO LATER THAN August 15, 2016.**

When sending in your registration form, please include a source where you have been published or a letter of intent to publish from a publisher. This must be print, TV or legitimate media web site and your name must be visibly attached to the photo or article. If you are unsure if you are "published" as defined by the NAS Oceana PAO, send what you have and your registration will be processed and you will be informed if you are eligible for media credentials. If you have credentials from a media source, please send a copy of those credentials with your registration.

One registration form per person. Please, print so that it is readable. Registrants will be notified by email and email only, about media credentials. Registrants who are ineligible for media credentials will also be notified by email.

Amateur photographers and hobbyists will be able to bring large camera bags into the Air Show during general admission times. It will not be necessary to have media registration for general admission. Your camera bags and any other bags will be searched upon entry.

There will be no media parking passes issued with these media credentials. The available media parking spots will be reserved for local and national television and newspaper media only.

Media representatives will comply with the regulations regarding the authorized and unauthorized areas for photography listed below as well as the directions of NAS Oceana Security personnel.

Authorized areas:

- Media tent and photography area at "show center" (with proper credentials).
- Any area on the flight line within the main crowd areas and only where general public is allowed (static displays, vendor tents, children's play area, etc).
- Parking lots designated for public use.

Unauthorized areas:

All areas listed below are unauthorized without direct consent and escort from the Public Affairs Office

- No media is allowed past the barrier that separates active flying aircraft from the public. This area is called the "Hot Box" and is located at the south end of the flight line. *This is for your safety.*
- No photography is authorized into or inside any hangar.
- No media personnel are allowed in the vicinity of fleet aircraft not participating in the Air Show, which are generally positioned at the eastern end of the large flight line parking area.
- Absolutely no media personnel are authorized to cross the crowd line along the front of the show-line. Entry into this area constitutes a major violation of FAA regulations and is a significant safety consideration.
- No media personnel are to position themselves on top of any hangars or elevated structures (e.g., hangars, control tower).

Any violation of the above regulations regarding unauthorized areas for photography will result in immediate revocation of Press Credentials for the current and future Air Shows and removal from Naval Air Station Oceana.
