

# 2024 NAS Oceana Air Show Media Registration Form

Thank you for your interest in covering the 2024 NAS Oceana Air Show!

The event will take place on Saturday, September 21, and Sunday, September 22. Friday, September 20 is scheduled for our Practice Day, and is open to registered media.

Media may register by email or letter **no later than August 31, 2024.**

When sending in your registration form, please include a source where you have been published or a letter of intent to publish from a publisher. This must be print, television, or recognized media website, and your name must be visibly attached to the photo or article. If you are unsure if you are "published" as defined by the NAS Oceana PAO, please send your prior work, and you will be informed if you are eligible for media credentials. If you have credentials from a media source, please send a copy of those credentials with your registration.

Please complete one registration form per person. Individuals who have not completed their media registration forms will be permitted to attend the air show, but NOT permitted into the media area. Your submission will be reviewed by the NAS Oceana PAO, and Navy security forces. Registrants will be notified by email regarding approval/disapproval of media credentials.

Media credentials will be made available for pick-up prior to the start of the air show at the NAS Oceana Visitor Control Center. Once approved, you will receive further instructions via email on credential pick-up.

Amateur photographers and hobbyists will be able to bring large camera bags into the air show during general admission times. It will not be necessary to have media registration for general admission. Please note that your camera bags, lenses and other equipment, and any other bags will be searched upon entry.

There will be no media parking passes issued with these media credentials. The available media parking spots will be reserved for local and national television and newspaper media only.

Security Information for Media**

**YOU MUST READ AND SIGN THIS PAGE**

**Media representatives will comply with the regulations regarding the authorized and unauthorized areas for photography listed below as well as the directions of NAS Oceana Security personnel.**

**Authorized areas:**

- Media tent and photography area at "show center" (with proper credentials).
- Any area on the flight line within the main crowd areas and only where general public is allowed (static displays, vendor tents, children's play area, etc).
- Parking lots designated for public use.

**Unauthorized areas:**

*All areas listed below are unauthorized without direct consent and escort from a member of the NAS Oceana Public Affairs Office.*

- No media is allowed past the barrier that separates active flying aircraft from the public. This area is called the "Hot Box" and is located at the south end of the flight line. *This is for your safety, and for our performers' safety.*
- No photography is authorized into or inside any hangar.
- No media personnel are allowed in the vicinity of fleet aircraft not participating in the Air Show, which are generally positioned at the eastern end of the large flight line parking area.
- Absolutely no media personnel are authorized to cross the crowd line along the front of the show-line. Entry into this area constitutes a major violation of FAA regulations and is a significant safety consideration.
- No media personnel are to position themselves on top of any hangars or elevated structures (e.g., hangars, control tower).

**Any violation of the above regulations regarding unauthorized areas for photography will result in immediate revocation of Press Credentials for the current and future Air Shows and removal from Naval Air Station Oceana.**
